Additional Technical Features	Safety and control devices
Shatterproof container made of Polycarbonate	Noise level below 70 dB(A)
Stainless steel bodywork	Models with R290 gas: equipped with ATEX electrical components
Air-cooled condenser	Hermetic compressor equipped with a protector
Rubberized tap	Mechanical temperature control (internal)
Magnetic drag mixing	Ease of disassembly and cleaning
Components suitable for food contact	

Optional Accessories

Gravity tap

We reserve the right to make changes without prior notice.

***Test conditions: 32°C - 230V 50Hz - 1st hour of operation**
